Profile

I am an ambitious artist skilled in diverse mediums with a focus in 3D animation and 2D rigging. I am always willing to take on any task to work proficiently as a team. I adapt quickly to new needs, policies and pipelines. I have a knack for organization and a drive to problem solve.

Employment History

2D Builds Artist & Designer, Copernicus Studios, Contract, Remote

May 2022- Oct 2022, Dec 2023- Present

Rigged characters, props, special poses, and redresses for the Nickelodeon series "Rock Paper Scissors", "Solar Opposites" and "Lana Longbeard". Designed props, special effects and characters for Lana Longbeard.
