Profile

I am an ambitious artist skilled in diverse mediums with a focus in 3D animation and 2D rigging.

I am always willing to take on any task to work proficiently as a team. I adapt quickly to new needs, policies and pipelines. I am well versed in creating expressive character animations while still keeping believability in fiction.

I have a knack for organization and a drive to problem solve.

Employment History

2D Builds Artist & Designer, Copernicus Studios, Remote

May 2022- Oct 2022, Dec 2023- Present
